Why Register as a Virtual Hiker?

Perhaps you're disappointed you can't physically climb mountains in the three-day Wilderness Heals pledge hike, but Virtual Hikers can still move mountains!

Committing to hike virtually is an easy way to spread awareness and help homeless families overcoming domestic violence, substance abuse and mental health issues. With your own customizable fundraising page on the Wilderness Heals website, you can tell family and friends how important the hike and the cause are to you! You will be able to direct people to your page and share the link so friends and family can donate directly and securely in your honor.

To participate virtually, you must register online at wildernessheals.elizabethstone.org. Because the Wilderness Heals pledge hike is a fundraiser for the Elizabeth Stone House, a \$50 registration fee and \$500 fundraising commitment are required. Virtual Hikers can register as individuals only.

When it comes to helping people heal from the effects of violence, we can move mountains!
