

Wilderness Heals pledge hike

To benefit the Elizabeth Stone House

The Elizabeth Stone House is a 501(c) 3 organization and contributions are tax deductible to the extent allowed by law.

Corporate Sponsorship

The Elizabeth Stone House (ESH) is committed to countering the effects of trauma and breaking the cycles of violence and abuse—one family at a time. Through residential and community support services, the Stone House helps families heal and women reclaim control over their lives.

The Elizabeth Stone House thanks those corporations who generously support Wilderness Heals. **Through their contributions, these companies are showing their solidarity with the Elizabeth Stone House and our efforts to make a positive and lasting difference in the lives of women and families afflicted with mental illness and domestic violence.** Wilderness Heals is a three-day pledge hike to raise funds for the Elizabeth Stone House. Wilderness Heals raises much-needed flexible funding that helps us meet the needs of the families we serve. **The Elizabeth Stone House is looking for businesses of all sizes to support Wilderness Heals by becoming a corporate sponsor.** Your contribution is a powerful way to say that you stand by, and for, the women and families we serve.
